Subject: Approval of Performance Pipe DriscoPlex 4600/4700 HDPE Pipe

Dear Mr. Ogden:

This is in reference to your application in which you requested the City of San Diego (City) to evaluate Performance Pipe DriscoPlex 4600/4700 HDPE Pipe for approval and addition to the City's Wastewater Approved Materials List.

The City has completed the evaluation and determined that adequate product information has been presented to approve the Performance Pipe DriscoPlex 4600/4700 HDPE Pipe. These products will be included in the next Wastewater Approved Materials List update. In the meantime, this letter can be used to verify the City's acceptance.

The acceptance and approval of the Performance Pipe DriscoPlex 4600/4700 HDPE Pipe are, however, contingent on the following conditions:

- 1) The Performance Pipe DriscoPlex 4600/4700 HDPE Pipe is manufactured and assembled at the respective locations:
  - i. 14381 Lear Blvd, Reno, NV 89506
  - ii. 1400 Drisco Dr, Brownwood, TX 76801
- 2) Performance Pipe, a Division of Chevron Phillips Chemical Company shall notify the City in advance of any changes in the product, change in ownership of the manufacturing plant, or change in the location of the manufacturing plant.

Performance Pipe, a Division of Chevron Phillips Chemical Company, shall provide application/installation procedures for the product to ensure they meet the current Standard Specifications for Public Works Construction Greenbook and the current City's Whitebook. The installer shall meet the specification conditions required for the proper installation of the product as specified by Performance Pipe or any of Performance Pipe's authorized suppliers.

Performance Pipe, a Division of Chevron Phillips Chemical Company, shall provide a list of approved installers to the City annually.

Any unilateral action by Performance Pipe a Division of Chevron Phillips Chemical Company without seeking prior consultation and agreement of the City in regard to the above-mentioned conditions and limitations shall constitute a breach of agreement, resulting in the deletion of WL Plastics' product from the City's Approved Materials List.

Congratulations on your success in being included on the City's Wastewater Approved Materials List.

Sincerely,

Anh Nguyen, P.E.  
Senior Civil Engineer
